This strategic collaboration enables Duane Morris & Selvam to offer both local and international legal services to its clients in Asia and beyond.

The practice engages in both domestic and international arbitration matters and benefits from the guidance of a senior arbitrator, who was previously Judge of the Supreme Court of Singapore, as consultant to the practice.

**Note:** All services provided that are classified as "restricted matters" under Singapore law are conducted by Selvam LLC, a constituent law firm of Duane Morris & Selvam LLP.

## CORPORATE SECRETARIAL SERVICES

Through our separate entity, DMS Corporate Services Pte. Ltd., we provide essential documentation, reporting, disclosure and compliance services to help clients meet local requirements and statutory obligations. Non-compliance, mistakes and omissions can expose organisations to numerous penalties, but attempting to manage these corporate secretarial functions internally is often time-consuming and costly. By outsourcing statutory compliance responsibilities to DMS Corporate Services, businesses can focus their efforts and attention on more commercially viable activities. DMS Corporate Services offers assistance with:

- ▶ Pre-incorporation advice and choice of entity
- ▶ Incorporation and registration
- ▶ Post-incorporation matters and business services
- ▶ Employment pass applications
- ▶ Other employment related matters
